The Customer and the Bank have agreed on the following:

01. The Customer undertakes to transfer to the Bank bitcoins
in the amount of _____
(in numbers and words)
for the period up to "___" _____ 2020
02. The specified amount is transferred by the Customer at the Bank
after signing this agreement no later than "___" _____ 2019
03. The Bank undertakes to keep the received bitcoins and return them to the Customer no later than
10 calendar days after the date specified in paragraph 0.1 of this agreement.
04. After the Customer pays the invoice, the Bank opens a deposit account to the Customer.
The Bank deposits in this account the amount in US dollars equivalent to the Bitcoins received from the
Customer for the current bitcoin market rate.
05. Interest on funds on this deposit account is calculated at the rate of 12% per annum.
06. After the expiration of the period specified in paragraph 0.1 of this agreement, the Bank undertakes to
transfer accrued interest on any account indicated by the Customer.
07. After paying interest and returning Bitcoins to the Customer in accordance with paragraph 0.3. actual
agreement the deposit account is closed, and all the funds on it listed in section 0.4. actual agreement
returned to the Bank.
08. The Customer is liable for providing true and complete information. The Customer shall immediately
report to the Bank about changes to any information provided to the Bank, including changes in Customer's
legal form of business, legal address, telephone number, location of the executive body, company's
registration number, and amendments to the Articles of Association. The Bank is entitled to customize the
contents and the scope of data requested from the Customer. In case of untimely or incomplete
provision of data, the Customer shall indemnify the Bank for all losses incurred due to the above action.

This Agreement is made and signed in two (2) copies in the English language with equal legal effect. One counterpart of the Agreement is kept by the Customer, another - by the Bank.
